DR. F. MILTON SAGER

Industrious and gifted with foresight is our Principal Dr. F. Milton Sager. Under his supervision we have many new and apparent changes throughout our campus. These changes have greatly benefited the students and faculty of Jordan High. Students are now able to put forth a more concentrated effort on their studies in our new and beautiful buildings. Our safe and spacious parking lot provides adequate room for all student drivers. Administrators enjoy comfortable accommodating surroundings in our new administration office. We may see by these few examples that Dr. Sager has been very busy in the past five years that he has served as Principal of David Starr Jordan High School.

The administrators and teachers of Jordan High School are known for their helpful and understanding attitudes concerning Jordan students and their work. They teach subjects competently, encouraging students to explore fields in which they show promise. They give them a good basic educational background on which to begin their adult lives—be they headed toward college or a good job.

## Dedication

To Mrs. Jones—

Through your generous guidance and interest in the teenagers of this school you have created a warm, wholesome atmosphere to which they may come during their few free hours. This tool, the canteen—a tool used in preparation for the formation of good social habits—has been a great influence upon the many Jordan students, because of the atmosphere you have created as director and counselor.

In fond memory of the years you have spent with us we dedicate the 1961 TRAILBLAZER to you and your new home.

Mrs. Jesse Jones

HI-TEEN CANTEEN — Opened April, 1960

A black and white photograph of a school building. In the foreground, there is a large, leafy tree on the left and a dense, low-lying bush or hedge in the center. A path leads from the bottom center towards the building. The building is a modern, single-story structure with several large, rectangular windows. The word "DAVID" is visible on the right side of the building. The sky is clear and bright.

## Foreword

Jordan High School is our school. In it are countless opportunities for achievement on our part. We need only the initiative, the basic ambition to learn, the creative instinct. The tools are there for us to use.

In recent years there has been a growing awareness of the need to use school facilities to the greatest extent. Our parents, whose money goes into the school through taxes, want us to learn and achieve as much as we can. They want to be proud of us, too; but even more, they want us to be prepared to meet the demands of the modern world of today. These tools of education, which they provide, are our tools to be used to build a useful adult life.

## Tools of Preparation

In our school are tools—tools of preparation for the healthy growth of young lives. The empty rooms that wait for the agitated classroom discussions; the stadium, deserted, lacking only laughter and shouts of a sports event to bring it alive; the halls and walkways; the auditorium and athletic fields all wait to be used . . . by us, the students of Jordan High.

Our teachers, counselors and directors are here to help us use these tools, but the real success of the finished product, its quality and its durability, depends on us.

School is all but over—for a few months for some, forever for others. No matter which group we are in, we can all agree this has been a good year. We shall always remember the good times, the hard work, the accomplishments, the pride in a piece of work well-done. All these things we remember now and shall remember always.

# Campus Life

Campus life is perhaps the best-loved part of school. The football games, the canteen hops, the Junior-Senior Prom, the All-night Dance were all memorable events for us. Remember backwards week? The Aquettes show was as beautiful as ever . . . student body assemblies full of pep . . . A wonderful year. These all add up to tools of preparation for a well-balanced adult social life.

Vocal music is under the expert guidance of Mr. Carl Robertson. Because of the unusually fine quality of instruction, Jordan's A Cappella Choir and other groups repeatedly do work which earns high praise from many sources. Particularly noteworthy is Jordan's madrigal group known as the Choraliers.

Highlights of the school year for the entire music department would be the Christmas Evensong and the Spring Concert. All the groups do, however, make numerous appearances at functions both on and off campus.

# Instrumental Music -

## An Enjoyable Experience in

Jordan's instrumental music department under the direction of Mr. Jerry Bartkus adds a great deal to the campus life activities of each and every Jordan student. The Christmas Evensong program and the Spring Concert are highlights on the school calendar for these music groups. However, their work does not end with these two fine programs. Constantly they are called upon for appearances at games, pep rallies, assemblies and other school functions. The excellence of their performances has won community respect as well as student body respect.

Head Twirler Lana Routh and Drum Major Ross Swanson.

## Listening and Learning.

Jordan's colorful marching band, led by student drum major Ross Swanson, is almost as much a part of football season as the football team itself. Long hours of practice are required to achieve the precise execution of their marching maneuvers for parades and half-time ceremonies at football games.

Director JERRY BARTKUS holds important last-minute practice session before a big performance.

Jordan is truly proud of her honor students who qualify for membership in Scholarship Society and the even more select National Honor Society.

Scholarship Society, officially known as Chapter 288 of California Scholarship Federation, requires that each member earn at least ten academic scholarship points ("A"—3 points; "B"—1 point).

The Founders of National Honor Society established the group to stimulate the high scholarship, constructive leadership, purposeful service and worthy character of the students in the secondary schools of this country. To qualify in Jordan's chapter students must have been members of Scholarship Society every semester prior to selection. The group is sponsored by Miss Rosalie Wride.

# Jordan's Social Clubs - An Opportunity for Service as Well as Entertainment.

Operating under strict rules and regulations drawn up by the Long Beach Board of Education, all social clubs are supervised by parents and faculty advisers. Any off-campus club which fails to abide by the established rules is immediately disbanded and refused permission to meet and carry on activities.

While the primary purpose of these clubs is to provide their members with opportunities for close social ties with other students, most of the clubs also carry out a worthwhile service program. Often they assist in making school-wide activities successful. During this school year there are thirteen active social clubs.

## Aquettes Present "Through the Ages"

Aquettes is a group of Jordan's outstanding girl swimmers whose main objective is the presentation of the annual water show—this year to be called "Through the Ages." The show, always one of the highlights of the school year, will begin with a number depicting the dawn of creation and will continue through the space age. The girls are directed by Mrs. Barbara Pollard. Outstanding individual performances include soloists Nancy Scott and Meg Theander.

ULLA BRITT

## American Field Service

This year we have with us Ulla-Britt Gustafson from Sweden. She is now participating in our school activities.

By purchasing exchange student shares, we were able to have her come over to view and obtain a clearer picture of the United States and in turn give us a better idea of her country.

There are now forty countries participating in the foreign exchange program. This organization contributes much to promote a better understanding between people of the United States.

Ulla, we enjoyed having you!

Ulla enjoys her social life at lunch!

### —EXCHANGE STUDENTS—

This past year, as you will remember, Jordan students enjoyed the A.F.S. assembly. The exchange students in the Long Beach area came to visit with us and to discuss their countries with us. World problems were also discussed. The assembly was interesting and educational.

The Hi-Teen Canteen, as you remember, was built in 1960, costing approximately \$140,000. Jordanites have enjoyed many band dances, fun nights, and after-game dances.

The Canteen's functions are supervised by Mrs. Jessie Jones (director), Mr. Phil Phillips (Asst. director), Mr. Don Fregeau (faculty supervisor), and Mrs. Lusk (P.T.A. Rec. Chairman).

Alex Palacio enjoys a game of table tennis during leisure hours at the Canteen.

Three Jordanites are completely absorbed in the 1960 Trailblazer.

Bill Brewer and Bob Goodrich sign in with Mr. Fregeau and Mrs. Jones.

Mrs. Jessie Jones, Canteen director, has made us feel welcome. She is always ready to give thoughtful advice or assist you in a problem. She has directed the canteen for the past thirteen years. She has well deserved this annual dedicated to her. None of us will ever forget the welcome smile and kind words.

Canteen president, Robbie Meinert, enjoys a game of Ski-Bowl with Evelyn Flowers, Richie Lawrence, and Harriet Jones.

Man About Town

Hi, there!

Miss Poultney's former students return to reminisce.

RICHARD DOW: 1961 Trailblazer Editor

We, as members of the annual staff, have put forth much time, effort, and patience to produce for you, the student body, a yearbook that you will always treasure.

This year we are especially proud to announce that we have arranged for a summer supplement which includes the Backward's Dance, the Spring Sing, Graduation Commencement, etc.

None of this could have been accomplished except under the outstanding supervision of Mrs. Betty Hook and Mr. Donald Balch.

We hope you will always enjoy it.

Every two weeks the student body enjoys reading the up-to-the-minute news of Jordan. The Cats Purr is one of the more outstanding school papers in the Long Beach area.

Credit can be given to those students who help produce it; those of the staff and also those of the print shop.

Mrs. Madean Horner's excellent supervision of the copy and make up, and Mr. Harold Rattenbury's expert guidance of printing make our Cats Purr possible.

Dirty Joe (Fred Stokes) and Stinker (John).

Kathy LeMeur as Maude Lewis, Martha Malloy as Evva Lewis, and Inez Lobdell as Grace Lewis play their parts with enthusiasm.

"Mrs. McThing" was about a small boy, Howay, and his playmate, Mimi, whose mother was Mrs. McThing, a witch. A spell was thrown upon Howay and his mother, Mrs. Larue, who were locked out of their house, only to be taken in by a gang of mobsters led by Poison Eddie Schellenbach.

The play reflected the goodness and wickedness of people.

The directing was under the supervision of John Alberico, drama instructor.

Muriel Cain (boy), and Leslie Webster (Mrs. Howard V. Larue III), concentrate hard to remember all their lines.

Dirty Joe (Fred Stokes) and Poison Eddie Schellenbach (Charles Ryon) argue over accepting the boy for their gang.

Mrs. Larue III and the Lewis's have a chit-chat.

# Sports

Athletics of every kind are popular at Jordan. Basketball, football, track and many others are enjoyed by the majority of the student body. We have been commended by unbiased observers for our high level of school spirit and our good sportsmanship. This spirit of enthusiasm and fair play in itself points toward a healthy adult life in which we will meet competition in many forms. Our spirit then, as now, must be a very real part of our lives.

\*League Games

Despite our record of two wins, one tie and five losses our team showed great promise and spirit which was generated by the coaches and the team itself.

The Panthers received many compliments from the officials for their fighting spirit despite some of their bad breaks.

This year's squad showed great possibilities. However, the fact that the Moore League is considered by many experts to be the toughest in C.I.F. is often overlooked.

Greater familiarity with Coach Anderson's philosophy of football should prove to be helpful in building the 1961 Panther squad around the nucleus of returning lettermen.

## Junior Varsity Football

Jordan's Junior Varsity squad had a very respectable season with a record of five wins and three losses. They had many outstanding players who will be coming up to support the varsity team next year.

The greatest thrill of the year came when the J-V Panthers stopped Banning's 26-game winning streak with a score of 13-0. Coach Pinckney reports that his boys were full of enthusiasm and spirit. Because of this, he is anticipating a good season next year.

## Bee Football

Highlights of the season for Jordan's Bee football squad included their decisive victory over the Lakewood Lancers and the fine game they played against a very strong Bruin squad from Wilson.

Team captain Tom Brosnahan and co-captain Carl Coleman were both chosen on the all-city first string squad and John Pearson received an honorable mention.

## VARSITY BASKETBALL

Coach Ben Palmgren and Varsity Basketball Squad boast a record of '6 wins against 4 losses, completing the 1961 season play in a second-place tie with the Wilson Bruins in the highly competitive Moore League.

As a result of their standing in league competition, the Panthers qualified for C.I.F. playoffs, where they defeated Fullerton and Saint Anthony's and then lost to a strong Compton team in the quarter finals.

Returning lettermen Jim Delong, Bill Lippincott, Steve Regier, Ron Reddick, Dave Savage, and Paul Shisbey, should provide a solid foundation around which to build another fine 1962 squad.

Gail Hopkins, all-city returnee, holds individual high point scoring average of 19 points in Moore League competition. The team was paced by outstanding performances turned in by Bob Ellis, Jerry Pittman, and Steve Regier.

#### JUNIOR VARSITY BASKETBALL

Junior Varsity squad members compiled a season record of 13 wins and 6 losses under the very able coaching of Jack Mertz. Outstanding performances turned in by several sophomores indicate availability of excellent material for the 1962 season.

#### BEE BASKETBALL

Highlighting the Bee squad season was their winning of the Excelsior tournament. Bill Allen and Gary Sutton were selected on the all-tourney team.

Their third place in Moore League standing does not indicate clearly their fine overall season performance of 16 wins and 4 losses, which Coach Gene Smith helped them achieve.

Typical concern is exhibited by Bee and Cee coach Gene Smith.

Students as well as Mr. Milroy worked long and late setting up the show.

Students browse through the exhibit.

Mr. Ciriello, Mr. Kalman, Mr. Larsen, and Mr. Routt, judges, ponder a winner.

## Art Exhibit

An outstanding event of the spring season was the Annual Art Exhibit, assembled for Public Schools Week by students of Mr. Milroy, Mr. Johnson, and Mr. Mesolcigites. Students, parents, and teachers agreed that it was one of the best exhibits of recent years.

Terry Banning receives First Place Over-All Award for his sculptured head, pictured above.

All of Jordan's girls will remember Backwards Week. Positions were reversed, and the girls went on the offensive. They opened doors, carried books, sharpened pencils, and made (and fed) lunches. The boys loved it!

The week's climax was the Backwards Dance. The girls invited the boys, of course—and paid, too—usually after taking the boys to dinner. It was a great day for all—even the girls!

Jim (Pasha) Brosnahan, being borne to class by slaves, Pam Felts and Jeanette Antista.

Penny Shearer takes over as Jim's flunky for the day.

Pam risks fingers, helping Bumps Reno with his lunch.

## Aloha Dance

The Aloha Dance was held on May 26, 1961, in the new Hi-Teen Canteen. Decor was in Hawaiian style, and all seniors were presented with leis. Music was by the Armenta Brothers. Everyone had a ball!

## "Mother is a Freshman"

For this three-act play, theater-in-the-round staging was used, for the first time at Jordan. The director, Mr. Alberico, and Mr. Meline's stage crew did an outstanding job. Martha Malloy played the Freshman Mother, Pam Frost played the daughter who enters college with her mother, and Dee Bellon played the handsome professor who complicates both their lives.

Mr. Alberico directs Martha Malloy, Dee Bellon, Georgia Duewel, and Ken Crump.

Peg Jennings, Sue Pryka, Penny Hatch, Jeanne Cross, Judy Tunnell, Muriel Cain, Nancy Gleason, Dick Mowles, Chuck Ryon, Steve Whittington, Leroy Pearson, Ron Snelling, Steve Carruth, and Ken Crump (in order of appearance) filled out the cast.

Full house every night!

Seniors impatiently await service. Orange juice, ham, pancakes, and milk were served.

# S e n i o r

Seniors (and one shamefaced Junior, Bob?) consume last tasty tidbits.

"Care to join me?" asks Bill Brewer.

Mr. Crutchfield flips. Mr. Davis pours.

Mr. Mesologites supervises the setting-up.

"A little more red on his toenails?" (Sandy Mazar, Connie Walker, and Jim Bushnell ponder a sphinx's paw.)

Sphinx? Lion?  
Watchdog!

The canteen game room as it looked, decorated for the prom.

Bill Allen, Bobbie Robinson, Jerry Pittman, Diana Fisher, Dennis Chappin, and Linda Agee admire one of the giant Pharaohs.

## Junior - Senior Prom

A massive sphinx watches over Jordanites as they dance.

Under the spell of the music.

"Hot foot?" Mob Ellis, Janice Brandon, Mike Stuhlsatz, Helen McClure, Bob Goodrich, and Judy Harker rest between dances.

# Commencement 19

Muriel Cain receives her diploma from Dwight Sigworth, as Jim Appleby, Judy Snellings, Maury Astley, and Hilda Radel await their turn.

The party begins—

With the traditional all-night dance, Commencement Week was finished—and so were most of the tired, happy graduates!

Brief respite—

Wiped out!

# Moore League Champs!

FRONT: Miller, O'Connor, Henrich, Lawrence, Hopkins, Corcoran, Paulson, Clark. REAR: Whitaker, Reid, Commeau Chappin, Bailey, Richardson, Boyer, Mr. Crutchfield, Tom Waters (Manager).

The 1961 Jordan Varsity Baseball Team completed one of the most successful seasons in the history of the school. At the end of the first round of league play we were in the cellar, with one win, three losses, and a tie. But from there we went on to win nine of our last ten games—and the Moore League Championship!

Who needs yell leaders? This ball club provides its own inspiration.

Mr. Crutchfield explains a fine point to the umpire.

The Varsity finished the season with a record of 15 wins, 4 losses and 1 tie. We placed eight men on the All-City teams and one on the All-C.I.F. Second Team. Jack Corcoran, Gail Hopkins, and Richie Lawrence were on the All-City First Team, and Bob Newman, Mike O'Connor, Dennis Chappin, and Mark Bailey made the Second Team. Jim Henrich was picked as shortstop on the All-C.I.F. Second Team.

Larry Babington solemnly signs out.

And then it was just about all over for these seniors. Their autographed *Trailblazers* will become lasting mementoes of their rough, happy years at Jordan.

Max Butcher, Pat Tucker, Shirley Gasper, Ray Whitaker, and an interloping Junior (Jack Tyler), sign out.

(We goofed! Linda Ann Rubley should have had her picture among those of the other Seniors in the Class-of-1961 Section of the *Trailblazer*. We apologize and allot her this special place in the Supplement.)
